

Something you can show someone

A plain statement of what this browser recorded. It is not a certificate and nobody has verified it — print it or save it as PDF for a capability plan or a performance conversation, alongside the capstone brief you wrote.

PRODUCT MANAGEMENT FUNDAMENTALS · DEWR DIGITAL EXPERIENCE AND SOLUTIONS

Record of completion

Self-recorded in a single browser. Not a certification, not issued or verified by the department, and not evidence of assessment by anyone other than the learner.
